 - Conclusion

1. Collect your daily bonus and get starcoins

If you are a consistent player and login to your account at least once, you have an opportunity to get free star coins. It is the first **moviestarplanet cheats**. All the regular player get a chance to spin the silver wheel once a day. The silver wheel is the key to get the starcoins. You can collect 5-40 starcoins from each day spin. Once the spin stops the coins come bouncing out, and you have to receive them all.

Additional privilege for **moviestarplanet free VIP** members comes in the way of gold wheel apart from the silver wheel. You can spin the gold wheel more than once a day. All the gold wheels are loaded with star coins from 25 to 200. So bang the jackpot and collect 200 coins daily. Also if you spend an additional diamond, you can get another chance to spin the wheel.

2. Complete activities to grab starcoins

On the top of your window, you will find an activity tab. This activity tab can be another star coin mine for you. The game offers you to complete a specific activity like dressing up or suiting up your star and many more. You can view this activity task from this tab. Once you end the mission, you can collect star coins in your wallet. Apart from starcoins each activity provides you with a potential reward of fame also. If you are an **MSP free VIP** member, you can collect double coins from this task.

Quests are always available in the activity tab, and you can do the task continuously. So select the Career and collect as much as starcoins.

3. Watching Movie rewards you with star coins

As a star, you have all the way to watch movies, and your ratings are also valuable to others. Like your real social life, you can go to a theatre and watch a film in the game too. The difference is you do not need to spend here. But your stardom will provide you with earnings of star coins.

In the game, find the movie town and visit frequently. Once you visit the movie town, you will see the movies section. These are the movies which all the players create. Watch a full-length movie, and you will receive a reward of 10 starcoins. The movie theatre has an extensive collection of videos. Every movie can give you coins only once. So do not need to watch the same film again and again. At the end of the movie, rate it according to your liking. You need

not worry about the ratings as whatever the evaluation may be; you will receive your full reward of ten coins. Watching the movie can give you Fame also as a bonus.

4. When a star plays the game, he or she is honoured with star coins.

MSP has a great collection of side games that can help you earn star coins. From the main menu go to the games zone and choose any game apart from arcade games. Once you win the game, you have the opportunity to spin the star coin wheel and earn money.

There are various games like Dress Up, Quiz, Crazy Cards, and Casting which you have to play with the other players of MSP. Keep in mind; you cannot collect **moviestar planet free starcoins** playing arcade games. Apart from starcoins, you can earn fame also by playing these games. So do not wait for anything; show your talent in games and win resources as many as you can.

5. You are creating your movie.

As a star, your prime earning should be from box office collection. MSP is also no different. There is an option to film your movie through its guidelines and boost your career. As you earn money by watching a movie, it rewards the movie director also. So when you post your film, you get awarded with **moviestar planet free starcoins** as other players view your film and rate it. Creating a movie is too simple in the game. You have the options to animate, create dialogues and change background, selecting theme music easily in the film strip. Creating different scenes you can also preview the movies. However you need a few practices to round up a complete film, but once it is through it will continually generate star coins for you.

6. Pets are the most loving thing on the planet.

Pets are another **moviestarplanet hack** that can also give you coins in MSP. Whenever you visit any place, you will find people roaming around with pets. Once you click any pet, a few coins drop. You can collect them as well. The best **MSP cheat** of this part is to collect coins from the top scorers. Click the top scores tab and find their rooms. Every top scorer foster lots of pets allowing you to receive a large number of coins from them.

You can find the vast collection of pets from the pet tabs also. Pets with a high level can provide you with great coins. So pamper the pets and collect as many coins as you want.

7. Friends are always helping in need.

In MSP your friends can be your best help in collecting star coins. Invite your friends through providing their email as your friend accepts your invitation to guide them up to level 6. As they reach level six, you are rewarded with 200 starcoins. It is an invitation reward. But, if your friend does not reach level six, you cannot get the coins.

8. Get paid to earn star coins

There are many websites available which uses Get Paid To (GPT) methods. You can check it through swagbucks.com. It is the fanciest way today in terms of free resources for just about any game. You can register at any GPT site, and keep collecting it using various available possibilities. Either shopping card or gift card or any means which can be redeemed to get VIP star coins.

9. Generate Your Smart Money

There are many online ways to earn smart money online. You can take part in various game testing or playing to win money. Apart from spending in your way you can have productive use of them by earning starcoins.

10. The Best MSP Hack: Create Another MSP Account

All the above nine suggestions are best to use to get the star coins in your account. But if you want to fill your wallet, you have to be legit but smart. Our last suggestion is the best **moviestarplanet hack**. We will not advise you anything that is not honest. But a lot of advantages are there if you have multiple accounts in MSP.

Following are the benefits:

- Create a new account using the invitation from the original account. Play up to level 6 using help from the original account. You will earn 200 starcoins in your original account.
- Create movies in your second account and watch them. You can earn ten starcoins and fame in your original account.
- Watch your created movies from the second account and earn in your original account.
